

Primary care doctors are the front lines of our physician workforce. Under the right conditions, they oversee and coordinate health care for their patients. They educate patients on how to prevent illness and manage chronic conditions. They are the medical generalists who establish long-lasting bonds with patients throughout their lives. Proper primary care is also one of the keys to containing health care costs. On the other hand, inadequate primary care leads to neglected and mismanaged conditions, which causes costly emergencies and illnesses downstream.

I am introducing the RDOCS Act to help solve this problem. Modeled after the successful ROTC program, RDOCS offers full scholarships to medical students in exchange for a 5-year service commitment in a medically underserved area. RDOCS will be administered by the states, which will send RDOCS scholars to their state-operated medical schools. RDOCS officers (as they are known after graduation) will then become licensed and serve as primary care doctors in their state of residence. The program is designed to ensure that at least 4,000 new scholarships are awarded each year.

Thanks to the Affordable Care Act, we are going to get close to universal health coverage in the United States. But universal coverage will not be meaningful if we don't have enough doctors to serve our population. RDOCS is a major step in this effort, and in the future Congress must build upon this program by expanding graduate medical education and creating additional residency slots to train these new doctors. I am optimistic that Congress can demonstrate the leadership needed to restore our physician workforce for the next generation.

THE SIGHTS WE'VE SET: IN HONOR
OF AN AMERICAN HERO, CHRIS
KYLE

HON. PETE SESSIONS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, July 28, 2014

Mr. SESSIONS. Mr. Speaker, I rise today in honor and in memory of one of Texas's most heroic sons, Navy SEAL Sniper Chris Kyle. Chris was one of the deadliest snipers in American history, with 160 confirmed kills out of 255 claimed by his SEAL brethren. He earned Two Silver Stars, and five Bronze Stars With Valor; and survived six IED attacks, two gunshot wounds, two helicopter crashes, and more surgeries than he could remember in his distinguished career. Sadly, on February 2, 2013, while trying to help a fellow veteran suffering from post-traumatic stress disorder, he was shot and killed at a shooting range. His courage, selfless service, and his dedication to his country and family make us all proud. He is survived by his wife Taya. I submit this poem penned in his honor by Albert Carey Caswell.

THE SIGHTS WE'VE SET
(By Albert Carey Caswell)

The . . .
The sights . . .
The sights we've set!
All in our moments upon this earth as met
All in our honor that we've so kept!

All in the goals that we've so met!
So reached!
To all our children we must teach!
Of uncommon valor so very deep!
As a United States Navy Seal Chris,
The Legend you now beseech!
And so surpassed,
forever onward to so last!
All in the sights Chris you've so set!
You, Star of Texas so very deep!
All in your Seal of Honor Chris,
you would not so breach!
Throughout your magnificent life so sought
to seek!

Are left behind all of those moments of your
life of now we speak!

About Strength In Honor so very deep!
As why for you Chris we now all so weep!
For such things can only be found,
only in the most courageous of all hearts
which so beat!

When, courage comes to crest!
To but be one of The Very Best!
As a true American Hero no less!
And to march off to war,
so willing to give up all that you love and
adore!

For such ones,
Heaven will so reach!
And ah all of those lives you've saved!
And all of those Mothers whose tears you so
helped not to break!

Not to so weep!
And all of those children now so born,
from all of your Brothers In Arms from
death you'd keep!
For only our Lord so knows this number so
sweet!

And to you this day will speak!
Rest now our most heroic son!
As the eyes and the Hearts of Texas are upon
you this one!

As we pray to our Lord to help your loved
ones to move on!

As SEALED with a kiss we say goodbye!

As here we stand with tear in eye!

To so guide us all,
each and everyone!

All in the sights Chris,

for us you have set!

For now Chris you have but a new war so to
be won!

As an Angel in The Army of our Lord our
most precious son!

To so watch over us from sun to sun!

And we will hear you on the wind!

And feel your Angel's breath upon us,

as Thy Will Be Done!

As we pray up in Heaven one day we all shall
so meet!

As this sight we have so set,

now so seek!

For you were once,

and will forever be . . . one of America's
Best!

So Rest my Son!

As we lay your fine body so down to sleep!

And when there comes a gentle rain,

your tears shall wash down upon your loved
ones to so ease their pain!

Until, up in Heaven you all so meet,

and you won't have to cry no more!

Amen!

TO CONGRATULATE NESHAMINY
HIGH SCHOOL FOOTBALL

HON. MICHAEL G. FITZPATRICK

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Monday, July 28, 2014

Mr. FITZPATRICK. Mr. Speaker, today I would like to congratulate Neshaminy High School for its tradition of academics and foot-

ball and the recent gathering of the school's football community to honor James Franklin, a 1990 graduate who was recently named head football coach at Penn State University. Also, returning to Pennsylvania is Coach Franklin's teammate and fellow graduate, Mike Frederick, who will coach Neshaminy football this year. Both men represent the sportsmanship and scholarship taught by their teachers and coaches at Neshaminy High School as students and they proudly carried it forward. It is a tribute to the families, the community and the school when former students follow the path they traveled in high school on to success and dedicate their professional lives to passing on that tradition of sportsmanship, hard work and discipline. In so doing, they have set an example for their future students and players. They have our best wishes for a bright future.

HONORING DR. BARBARA L.
MCANENY, CHAIR—BOARD OF
TRUSTEES, AMA

HON. MICHELLE LUJAN GRISHAM

OF NEW MEXICO

IN THE HOUSE OF REPRESENTATIVES

Monday, July 28, 2014

Ms. MICHELLE LUJAN GRISHAM of New Mexico. Mr. Speaker, I rise today to congratulate a pioneer in the field of medicine, Dr. Barbara McAneny, on her election as Chair of the American Medical Association (AMA) Board of Trustees.

Since 1980, Dr. McAneny has called Albuquerque, New Mexico her home. After graduating from the University of Iowa College of Medicine in 1977 and completing her residency in 1980, Dr. McAneny began her lifelong commitment to the fight against cancer as a Hematology-Oncology Fellow at the University of New Mexico (UNM). Taking her skills to private practice, in 1983, Dr. McAneny began working for Hematology Oncology Associates in Albuquerque, New Mexico, and in 1987 cofounded New Mexico Oncology Hematology Consultants Ltd.

Dr. McAneny was also a driving force behind the creation of the New Mexico Cancer Center (NMCC), the largest physician-based cancer treatment institution in the state, where she currently serves as a Managing Partner and CEO. NMCC has continued to lead the country in comprehensive outpatient medical and radiation oncology care and imaging, which it conducts at multiple sites and in underserved rural areas.

She also serves as the Medical Director and CEO of Innovative Oncology Business Solutions. In 2012, they were awarded a \$19.76 million grant to implement a community oncology medical home model in seven practices across the country. This was made possible after years of dedicated research and development by Dr. McAneny and her staff at NMCC.

Dr. McAneny has stormed the medical profession with an unparalleled commitment to results-driven health care and a passion to innovate new methods for treating patients with cancer. This is demonstrated in the numerous accolades and accomplishments throughout her career.

To name a few:

1977: Dr. McAneny received the American Medical Women's Association Award for Scholarly Achievement
